

Looking For A Summer Job?

Do you think that jobs for the youth are simply impossible to find? If you are looking to gain valuable work skills and experience, we can help!

DES (Department of Commerce Division of Employment Security) together with JobLink Partners is holding a **Youth Job Fair Saturday 3rd March, from 9am to 12pm** at Wake Tech Main Campus. Wake Tech Main Campus, Student Services Building, Conference Center 2nd floor, 9101 Fayetteville Road, Raleigh, NC 27603

Jobs Fair Description: This job fair provides access to employers in your community looking to hire immediately or for the summer. You will also receive support from Jobs Consultant who will help you connect with employers as well support with resume and interviewing skills. The day is dedicated at helping people like you find jobs that meet your needs to employment.

Eligibility:

- Youth 16-24 years of age
- Citizenship or Eligible Non-Citizen
- Looking for full-time employment in the summer months and returning to school in the fall
- Looking for Part time employment or on the job training

Reasons to attend the Youth Job Fair:

- It's an excellent way of meeting employers with vacancies for entry-level roles and offering apprenticeship opportunities
- Some employers will have immediate vacancies
- Employment Consultants are available for short consultations to discuss your employment options critiquing and giving advice on your resume'
- Attend an informative resume workshop to learn how to produce a great resume'
- Career advice and guidance
- Get help with writing resumes and completing application form

Making the Most of the Fair:

- Bring your resume'
- Dress can be formal or smart casual - **not scruffy!**
- Think about how you will introduce yourself confidently to employers.
- Note employer's names and company in case you need to follow up later.
- Enjoy the event! It is an important way of job seeking.
